

As we near the end of our lives, each day takes on a greater significance. For seniors living with Alzheimer's and dementia, it is moments that matter.

At the Community at Brookmeade, we strive to make each day memorable and each moment count. Our 200 residents live in dignity and peace and each day brings friendship, respect and laughter.

Care at this level requires resources beyond what individual retirement savings and the government can provide. We need the support of our neighbors and the local business community.

*Supporting the residents of
The Baptist Home at Brookmeade*

Why Help ?

The majority of our residents don't have the resources to pay for their care and must rely on Medicaid for funding.

While the Baptist Home at Brookmeade makes the most of every government dollar, we rely on your donations to help us achieve the highest level of care. Our mission and our values drive us to provide the extra touches that make us home.

From simple things like visits to the beauty parlor and televisions in rooms, to larger programmatic needs that address physical, mental and emotional well being - we need your help!

How You Can Help

There are many ways to contribute:

- Send in a monetary donation
- Contribute stocks and bonds
- Real estate donation
- Include the Baptist Home in your estate planning
- Give a memorial gift
- Attend one of our events
- Volunteer!

Support our Innovative Programs

The NEW DAY Program provides structured yet creative activities for our residents living with Alzheimer's, dementia, depression and other chronic illnesses.

This special program is offered six days a week and has produced amazing results. Of the 12 sessions offered each week, approximately 95% of residents participate in one more sessions.

In the year since the New Day program began, staff are seeing marked improvement in resident morale and behavior.

The Therapeutic Courtyard Project will provide residents with a safe and lovely outdoor garden space to enjoy nature. Special care needs to be taken to address the needs of residents including mobility challenges, precarious physical health issues and special concerns for residents living with Alzheimer's and dementia.

Music and Memory is the first of many new arts initiatives we are developing to provide residents with creative ways to express emotions, share memories and communicate.

The Brookmeade Rehabilitation Center offers safe and effective outpatient services and short-term inpatient rehabilitation care., as well as ongoing long-term care for residents using state of the art equipment.

Programs for a wide variety of conditions including: hip and knee replacement, stroke, post surgical, cognitive and speech disorders, osteoarthritis, shoulder injury, neurological disorders, spinal injury, post surgical are available.

On Site Special Events and Family Programs are offered throughout the year including Family Fun Day, Community Easter Egg Hunt, Santa visits, guest entertainers, and Annual Dinner and Auction. Residents and families also enjoy our library, café and newly opened gift shop.
